Rules and Regulations

THERES A NEED TO ALLOCATE BINDING RULES AND POLICIES TO REGULATE THIS
SUSU SYSTEM.

1. We prioritise the safety and security of each and every client endorsed into our susu community as such all client personal details remain **strictly confidential** and are protected.
2. Be sure about your interest before joining and committing as we have a **NO REFUND POLICY** regardless. Once you begin be prepared to see it through to the end.
3. Ensure you have a secure and consistent **income stream** in place beforehand. You should be actively working, running a business or earning before joining any of our groups.
4. Each party **assumes full responsibility for the conduct and actions** of any individuals they introduce into the business system or premises, and vice versa, should any issues or liabilities arise during active business.
5. We strive to provide an inclusive and welcoming environment for all clients . **Discrimination** or **harassment** or **invasion of privacy** of any kind won't be tolerated.
6. To be eligible for acceptance and full registration, individuals must be **18 years of age or older**. Full online and offline **registration** must be **submitted** as definitive evidence of community membership status.
7. The cash-out budget and cycle of the plan is **subject to change only when the number of required participants decreases**.
8. A new client is entitled to join **not more than two groups with single slots at a time** . Clients should select groups within or below their **financial capabilities only**.

We appreciate your cooperation in helping us maintain a welcoming and transparent atmosphere
for all in our community.
